

Good Morning Dear Jesus

Good morning, dear Jesus, my Savior,
Good morning dear Mary, my Queen,
Good morning bright Angels, fair
sentinels of Jesus who dwells here
unseen. Dear Lord, I bring Thee red
roses all wet with the dew of Thy grace.
Every thought, every word, every action
and my heart I give for their vase. This
offering I make through Thy Mother
Whose Heart is so sinlessly white,
whiter than wings of the Angels who
watch and pray by me here all night.
One favor, sweet Jesus, I ask of Thee,
Inflame my poor heart with Thy love
so while I toil in this valley
my spirit may dwell far above. Amen.
