

### Prayer for Transformation

Written by M. Lee Bozeman

Lord, my Father I come before you with a special request, for my transformation.

Only you Father can transform this heart, soul, and mind.

Lord, please make me a more relaxed, patient, loving, peaceful, and kind person.

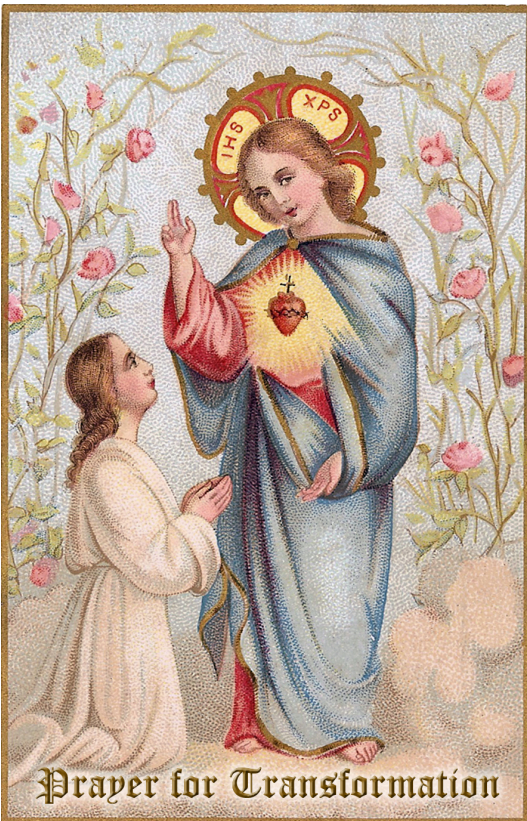

Lord, please help me to be less rushed, anxious, obsessive, and angry.

I want to be a person who spreads love and joy to others.

Lord, please heal me of the hurt and anger I have experienced in the past and present so that I can forgive and so that I may be forgiven.

Lord, please give me the strength and energy to always do your will now and forever. Amen.
