

Our Lady of Purgatory

Prayer to Mary, Queen of Heaven and Earth

O Mary, may the souls who suffer cruel torments in Purgatory, purified by the ardor of the flames, be the object of your compassion! O Mary, open the spring which cleanses our faults, reconciler of sinners, reach out to those who pray you and implore your assistance in Purgatory! O Mary, intercede for our deceased. They await patiently the end of their suffering when they will see you and taste eternal joys! O Mary, model of the Just, guide the faithful, Salvation of those who hope in you, help us to pray ardently for the Souls of the deceased and touch the Heart of your Divine Son. O Mary, by the merits you have gained, give the dead true life, obtain mercy for them, and be the way which leads to your Son Jesus and to eternal rest. Amen.
