

Saint Mildred Prayer

Written By M. Lee Bozeman

Good Saint Mildred, sweet flower of perfection and charity, while on earth, you rejected the riches you had been born of and gave your life to Christ. You are well known for your sincere love and compassion for the poor; please pray for us that we may be pleasing to God by accepting His Holy Will. And In accepting His Holy Will may we be less concerned with our own sufferings and more eager to help others in need as you did.

Remember also my special intention(s)
I now faithfully entrust to you.
(Name your special intentions)

Pray for us Saint Mildred that we may be made true servants of Christ and share in the eternal joys of heaven with God Our Father. Amen.
