

A Prayer Composed by Saint Rose of Lima

O, my true God! The Spouse of my soul, and all the joy of my heart, bountiful Jesus, I desire to love Thee with that perfect love, most efficacious, most sincere, with which the most blessed inhabitants of heaven surround Thee. I desire more: I wish to love Thee, O God of my life and heart, as much as Thy Holy Mother loves Thee, my Sovereign, the glorious Virgin Mary! O yes, may I be enkindled, entranced, consumed by the fire of Thy Divine Love, O Jesus my Beloved! Amen!

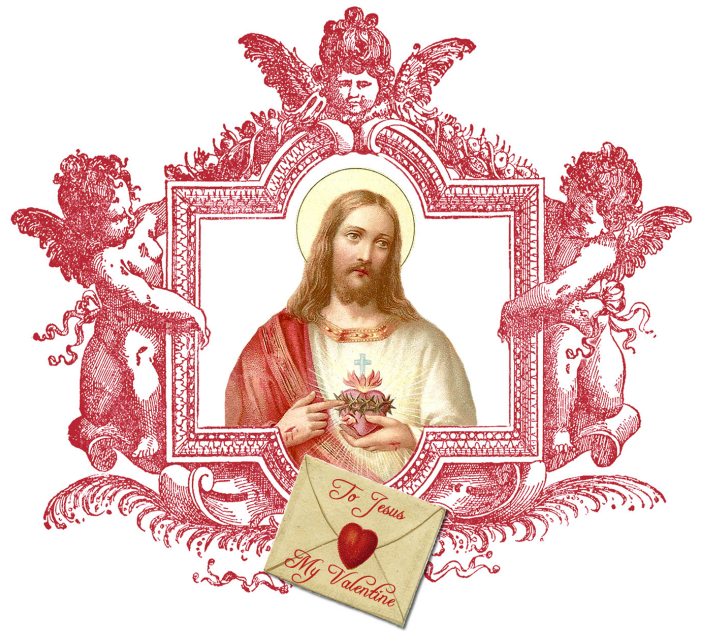

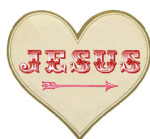

Father of my existence, God of my life, Lover of my soul!

Draw me into the bonds of Thy Love!

O, Jesus, that your love might be the peace and repose of my soul, the strength and happiness, the aspiration of my life....the whole of my heart!
